

## **Sherry Holt**

Sherry Holt has been the office manager for Internal Medicine & Rheumatology Associates, P.C. in Kansas City, Missouri since its inception nine years ago. She started her medical career as a medical assistant for a family practice. She continued her studies and became office manager in the family practice, remaining at that practice for 25 years. She served as a managed care specialist for a group of physicians consisting of family practice, internal medicine & rheumatologists before leaving to join her current physicians in opening Internal Medicine & Rheumatology Associates, P.C.

She lives in Greenwood, MO with her husband and two daughters.
